

WCPS Distance Learning Request Form

Please complete this form and return to your child's school. Someone from the school will be in contact with you to discuss your request.

I would like to request that my child not be required to be physically present at school when it reopens for the 2020-2021 school year. I wish for them to participate in their instruction remotely for:

- Mid-term of Q1 (4 ½ weeks): August 24 - September 25*
- The first grading quarter "Q1" (9 weeks) August 24 - October 28*
- The first semester of school (18 weeks) August 24 - January 15*

**Dates subject to change due to inclement weather*

I understand that a new curriculum will be covered and my child is required to satisfactorily complete assignments and meet deadlines in all classes. In addition, I understand there may be circumstances where my child may need to attend in-person sessions at school for some CTE courses in high school or to take any state assessments such as SOL tests.
